## Ms. TRILOCHAN DAS

(Founder)

As the founder of Utkal Foundation , I work to improve society by supporting education, healthcare, empowerment and sustainability. Through our programs, we aim to help disadvantaged communities, provide necessary resources , and encourage teamwork and volunteering . My goal is to create a prosperous society where everyone has the opportunity to succeed and contribute positively.

## UTKAL FOUNDATION

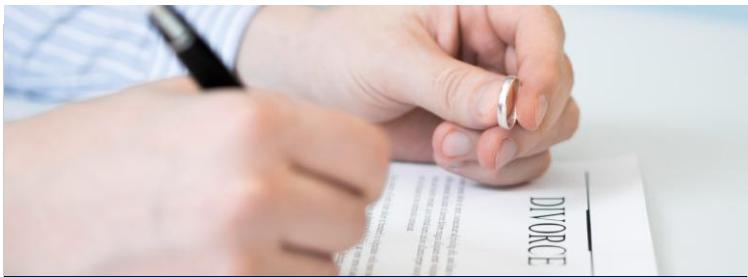

I started the Utkal Foundation out of a deep commitment to fostering positive change and addressing the urgent needs of our society. My passion for social work and education, coupled with witnessing the struggles faced by marginalized communities, inspired me to take action.

I recognized the need for support in areas like healthcare, women's empowerment, and sustainability. The foundation aims to bridge these gaps, providing essential resources and empowering individuals through education and skill development. My goal is to build a brighter future, promote collective responsibility, and create sustainable, long-term change. Through the Utkal Foundation, I strive to uplift those in need and help them realize their full potential.

## **FOOD DONATION**

At The Utah Foundation, we are committed to eliminating food insecurity and ensuring everyone has access to nutritious food. Our food donation programs are specifically designed to support individuals and families in need in underserved communities. Partnering with local organizations, businesses, and volunteers, we host regular food drives and distribution events to provide much needed food. These efforts aim to alleviate hunger, promote better health, and provide a sense of hope and dignity to those we serve. Through our dedicated food donation initiative, we want to alleviate their food shortages.

## **PROVIDING RELIEF IN TIMES OF DISASTER**

In difficult situations like floods, typhoons, and house fires, Utkal Foundation extends a helping hand with compassion and dedication. Our team is committed to providing immediate relief and support to affected families by distributing cooked food, donating clothes, and rescuing people from floodwaters. We strive to bring a sense of comfort and hope during these challenging times, ensuring that those in need receive the necessary assistance to rebuild their lives. Our efforts are aimed at alleviating the distress and hardship faced by disaster-stricken communities, fostering resilience and recovery with each act of kindness and support.

## **PROVIDING ASSISTANCE TO FIRE AFFECTED FAMILIES .**

Help was given to the fire –affected families by the Utkal Foundation trust.

## BLOOD DONATION CAMP

Organizing a blood donation camp is a significant community service initiative that saves lives and promotes regular blood donation. The Utkal Foundation prioritizes healthcare, partnering with local providers to ensure a safe, efficient process. Volunteers and donors receive information on the procedure, benefits, and the impact of their contributions on emergencies and routine medical care.

## EYE TEST CAMP

- An eye test camp is another essential service that addresses a critical aspect of public health.
- Many people, especially in rural areas, do not have regular access to eye care, leading to undiagnosed and untreated vision problems.
- By organizing this camp, the Utkal Foundation aims to provide free eye examinations and necessary treatments to those in need.
- Professional optometrists and ophthalmologists will conduct comprehensive eye tests, offer advice, and distribute glasses or medications where needed.
- This initiative not only helps improve the quality of life for individuals but also emphasizes the importance of regular eye check-ups in preventing serious vision issues.

The camp includes awareness on eye health, general vision and preventive measures. Participants are informed about the importance of a balanced diet and proper eye hygiene in maintaining good vision. The Utah Foundation provides support to ensure eye health. The foundation aims to create a network for eye care by collaborating with local health care providers.

"Trees are the Earth's endless effort to speak to the listening heaven."

## TREE PLANTATION DRIVE

The Tree Plantation Drive by the Utkal Foundation aims to enhance environmental sustainability, promote biodiversity, and combat climate change by engaging the community in tree planting and nurturing activities.

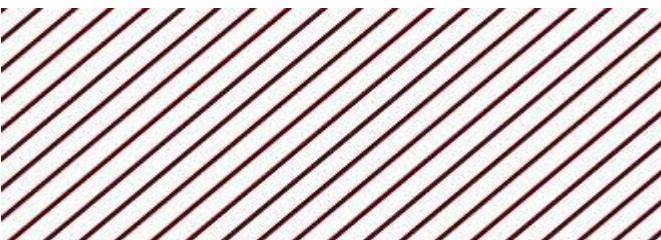

The Utkal Foundation engages the community, schools, and volunteers to plant and nurture trees, increasing green cover and promoting biodiversity.

Tree plantation drives are essential for environmental conservation and combating climate change. Participants learn about the benefits of trees, such as improving air quality and providing wildlife habitats. This initiative fosters environmental responsibility and encourages sustainable practices to protect our planet.

The Utkal Foundation invites everyone to join the Tree Plantation Drive and make a positive impact on our environment. By planting and nurturing trees, we can create a greener, healthier, and more sustainable world for future generations.

## VOLUNTEER ENGAGEMENT

Volunteers are the backbone of our organization. From organizing fundraising events to participating in hands-on service projects, individuals have taken on an important role in connecting with individuals and making a meaningful difference.

## ANTI-SMOKING CAMPAIGNS BY UTKAL FOUNDATION

Utkal Foundation actively conducts anti-smoking campaigns to educate communities about the health risks of tobacco use. Through workshops and awareness programs, we aim to reduce smoking prevalence and support cessation efforts. Our goal is to create a healthier environment by advocating for smoke-free lifestyles and promoting public health awareness.
